You Deserve to be Pampered...

Since 1976, we've provided loving care and elegant, upscale retirement living for our residents.

At the Carmels, you'll find options that suit your individual styles and desires. We have two beautiful buildings across the street from each other for you to choose from - both communities offer a comfortable lifestyle for independent residents. In addition, we are here and ready to provide assistance with all activities of daily living should it be needed, at both Carmel North and South. We tailor every plan to the individual resident, from independent to full care.

When it comes to the selection of a retirement community, the commitment to care by the staff is one of the most important considerations. At the Beverly Hills Carmel, we take pride that we have been a family-owned business in the Beverly Hills area for over 35 years. Our dedicated staff of professionals continue to provide the unmatched and consistent customer service our residents and families have come to expect for over three decades.
