

A Message from Murielle, *Executive Director*

June represents that half-way point through the year, and the beginning of the second half of the year. It offers all of us a chance to step back and evaluate our year so far, and a opportunity to set goals and objectives for the rest of the year.

June is also a time to celebrate our Dads, and everything they mean to us. I'd like to take this moment to thank all the

Fathers who live here at CityView, and all our employees who are also fathers, for all the amazing things you do for your children, and how you are always there for them, every day of the year... and I mean from the beginning of the year, to the middle of the year, and all the way to the end of the year. Thank you so much.

If you have the time, please be sure to welcome our new Activities Director, Arnold Palencia. Arnold is enjoying getting to know each of you, and is doing a wonderful job of taking up the mantle where Mike left off. We appreciate him stepping in so quickly, and judging from his enthusiasm and know-how, I'm certain that he will make an excellent activities director here at CityView.

Thursdays in June, Gabrielle will bring music to our ears as she will be performing on the piano for us during lunch. What a satisfying way to enjoy your meal, so much appreciation to Gabrielle for enhancing our dining experience.

The CityView Book Club and Poetry Club will now be offered by Karlyn, so if literary subjects are of interest to you, you'll want to join her on the 17th for the poetry session, and on the 28th for the book session. As you can see, there's always plenty to do here at CityView.

Here's to making the second half of this year count,
Murielle Chocron

Resident of the Month Lida Jazeb

Our resident of the month, Lida Jazeb, grew up in Tehran, Iran. She moved to the United States at the age of 28 because of the revolution there. She enjoys living in Los Angeles because the weather here is so good. She worked with her brother who is an optometrist as his right hand arm. Lida thoroughly enjoyed her career as she loves working with people. She isn't at all shy, and is very friendly towards others. Her hobbies include working with crafts, and she loves participating in all the activities that involve making stuff here at CityView including the card making and jewelry making. You'll also find her enjoying the exercise workouts we have here, as well as playing bingo. In fact, Lida enjoys everything about CityView. Lida has two daughters, Lilian and Melody, who are both married, and one grandson named Jacob. Congratulations Lida, on being named our Resident of the Month for June.

Spanish Class w/Arnold

CityView residents have encouraged

Arnold to start classes in Spanish as they'd like to learn how to better communicate in this language with the people they run into here in Los Angeles. Arnold's goal in this first month is to get them to be able to introduce themselves, and to make brief small talk with someone they might meet. Classes are held every Saturday morning at 11:00 a.m.

June Outings Not To Miss!

Below are the special and exciting outings we have planned for the month of June.

Thursday, June 6

Descanso Gardens Outing

Located in La Canada, these beautiful gardens were once part of a private estate that Walt Disney was eyeing as a potential site for Disneyland when the original owner (Elias Manchester Boddy) decided to sell. Instead, the people of California took control and history was made. With nine styles of gardens to explore, including a fragrant rose and camellia garden, this outing offers you a chance to slow down and smell the roses!

Thursday, June 13

Autry Museum of the American West

Established in 1988 by actor Gene Autry to explore and share the comprehensive story of the American West, the Autry collection includes 21,000 paintings, sculptures, costumes, textiles, firearms, tools, toys, musical instruments, and other objects.

Thursday, June 20

Lunchtime at Canters Deli

With an authentic deli-style experience that's unparalleled anywhere else on the West Coast, Canter's endless menu offers you breakfast, lunch or dinner 24 hours a day!

Meet our New Activities Director
Arnold Palencia

Please welcome Los Angeles native Arnold Palencia to our CityView family. He has worked in the assisted living field for several years now, personifying the American Dream as he has moved his way up from a dishwasher, a server, an assistant activities director to a postal delivery person... to now an Activities Director here at the lovely CityView.

Arnold was recently married to his lovely wife Ashly, and they have their first child, a daughter they named Nylah. He was always interested in teaching, and working with kids. He finds that working in this position is much like being a teacher, and thus enjoys it very much. He feels very blessed to be able to spend time with his wife and daughter, and to have a job that he enjoys doing.

A Focus on Kahil Gibran

Monday, June 17 at 3:00 p.m.

Kahil Gibran is the third best-selling poet of all time, behind just Shakespeare and Laozi. Gibran grew up in Lebanon, but later emigrated with his family to Boston, MA. There, he enrolled in an art school at Denison House, where he studied art and embarked on his literary career, writing in both English and Arabic. In the Arab world, Gibran is regarded as a literary and political rebel. In Lebanon, he is still celebrated as a literary hero. Upon his death, he was buried in Lebanon in the Mar Sarkis Monastery, which has since become the Gibran Museum.
